

**Eastern Michigan University
University Human Subjects Review Committee (UHSRC)
MINOR MODIFICATION FORM**

If you have **minor changes** to a protocol prior to the one-year anniversary of protocol approval (e.g., continuation), use this form. Minor changes would include modifications such as the addition or deletion of researchers or research partners, change in source of sample but type of source is the same (e.g., different high school), change in contact information on informed consent, minor changes to the language of the survey instrument or interview questions, etc.

If the change is **not minor** and involves items such as methodology, sample now to include special protected populations, or study is now beyond minimal risk, then complete the *Request for Human Subjects Approval* form.
